OUR PROBLEM

Caring for a variety of animals that come through the doors can be extremely expensive. The money that we get from Jefferson County commission, Jefferson City, White Pine, and Baneberry covers the expense of our employees. However, we have many additional needs for the animals such as medical needs, spay/neuter, food and vaccines, for which, we rely on is donations. We strive to have a greater impact in the local community to maximise donations and adoptions! we think that it would be a fantastic opportunity to partner with local people and businesses to benefit each other and most importantly of all, benefit our animals.

DONATE TO THE AUCTION

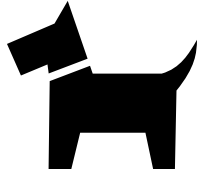

WHAT WE'RE LOOKING FOR

We're looking for donations of items worth \$50+ of anything you are able to offer!

ABOUT THE AUCTION

Your donation will be offered in an auction, in an attempt to raise \$50,000-\$100,000 for the shelter. These funds will go towards our aim of replacing and improving the fencing and facility at CARE to keep our animals safe, happy, and secure. Currently our fencing is either broken or not in a state to house the animals, due to the potential for them to escape or harm themselves on the fencing. Any additional money will go towards improving the shelter facility to make it a more welcoming and homely place for the animals, our staff, and our visitors. In exchange for your donation, you will receive multiple social media posts in the lead up to the auction as well as your name and logo, with a link to your website on the page dedicated to our auction.
